Education

University of Denver / B.S. Psychology

SEP 2014 - NOV 2017, DENVER, CO

Concentrated in Cognitive Neuroscience. Minored in Biology and Sociology. Facilitated an on-campus radio show. Cultivated an interdisciplinary background.

Experience

OpenWorld Learning / Site Instructor

NOV 2015 - JUL 2018, DENVER, CO

Taught students ages 8-12 how to code, based on *MicroWorlds EX*. Coordinated with fellow instructors to manage resources. Attended monthly development meetings to become a better educator.

University of Denver / Research Assistant

JAN 2016 - NOV 2017, DENVER, CO

Worked with Facereader Software, helped process research data, and studied the neuropsychology of truth-telling.

University of Denver: Learn to Swim / Swimming Instructor

JAN 2015 - AUG 2015, DENVER, CO

Taught children ages 2 - 12 how to swim. Developed lessons and trained with fellow instructors. Became a certified Red Cross Lifeguard.

Skills
